

ICO 2016 – Promotional Pack

Details for online calendar

13th International Congress on Obesity

Date: 1st - 4th May 2016

Location: Vancouver, Canada

Website: <http://www.worldobesity.org/what-we-do/events/ico/intconob2016/>

Contacts: ico@worldobesity.org

Overview: ICO 2016 will present the latest research, new innovative preventative and treatment strategies, policy updates and guidelines from the world's leading obesity specialists and global alliances. Physicians, surgeons, scientists, clinicians, allied health professionals and policymakers, both national and international, will come together for an outstanding programme including scientific sessions, satellite meetings, debates, networking, poster sessions and more.

Newsletter Blurb

Join the World Obesity Federation and scientists, researchers, clinicians and policy makers from across the globe at the 13th International Congress on Obesity **1 - 4 May 2016** at the Vancouver Conference Centre, **Vancouver, Canada**.

The International Congress on Obesity (ICO) provides the opportunity to hear and discuss:

- The latest research on all aspects of obesity.
- New innovative preventive and treatment strategies.
- Global alliances to reduce the prevalence of obesity and its associated burden of diseases.
- Insight from the world's leading obesity specialists
